The Occupational Health and Safety Policy aligns and complies with the following:

- 1.1. Nova Scotia *Occupational Health and Safety Act and Regulations 2013*

2.0 Principles

- 2.1 The Halifax Regional School Board is committed to providing a healthy and safe work environment for all employees;
- 2.2 The Halifax Regional School Board is committed to preventing occupational illness and injury in all schools and offices;

Occupational Health & Safety Policy

Approved: September 23, 1997

Revised: October 25, 2017

- 2.3 The Halifax Regional School Board is committed to providing regular health and safety training;
- 2.4 The Halifax Regional School Board believes that all employees are responsible and accountable to work safely at all times, to identify and report hazards, and to take all reasonable measures in the circumstances to protect and promote health and safety.

3.0 Responsibilities

- 3.1 The Superintendent is responsible to ensure that:
 - 3.1.1 Effective safety procedures and practices are implemented in all schools and offices;
 - 3.1.2 Ensure that all employees have access to the *HRSB Health and Safety Manual* and the *Nova Scotia Occupational Health and Safety Act and Regulations*;
 - 3.1.3 Directors, principals and all others with supervisory responsibilities receive training and implement this policy;
 - 3.1.4 Directors, principals and all others with supervisory responsibilities consult and cooperate with the workplace Joint Occupational Health and Safety Committee (JOHSC), employees, and others as appropriate to protect and promote a healthy and safe working environment;
 - 3.1.5 Provide employees with the proper, well maintained tools and equipment plus any personal protective equipment or devices that are necessary, in conjunction with reasonable hazard mitigation.
- 3.2 Directors, principals and all others with supervisory responsibilities are responsible to ensure that:
 - 3.2.1 Employees are aware of and comply with this policy and related procedures as defined in the *HRSB Health and Safety Manual* and *Occupational Health & Safety Act and Regulations*;
 - 3.2.2 Employees implement and adhere to safe work practices and receive training to protect and promote a healthy and safe workplace;
 - 3.2.3 Equipment within their responsibility is maintained and stored in a safe manner, and issues with the safe operation of equipment are addressed promptly to promote and ensure a safe and healthy work environment;

Occupational Health & Safety Policy

Approved: September 23, 1997

Revised: October 25, 2017

- 3.2.4 Regular hazard identification practices are adhered to and hazards addressed promptly to protect and promote a safe and healthy work environment;
 - 3.2.5 Incident reporting forms are completed, submitted and reviewed as required for preventive purposes and awareness;
 - 3.2.6 Participate in, consult and cooperate with the workplace Joint Occupational Health and Safety Committee (JOHSC), employees, and others to protect and promote a healthy and safe work environment.
- 3.3 Employees are responsible to:
- 3.3.1 Be aware of and comply with this policy and related procedures as defined in the *HRSB Health and Safety Manual* and *Occupational Health & Safety Act and Regulations*;
 - 3.3.2 Consult and cooperate with the workplace Joint Occupational Health and Safety Committee (JOHSC), employees, and others as appropriate to protect and promote a healthy and safe work environment;
 - 3.3.3 Report to the Principal or Supervisor, as soon as possible, any hazardous conditions, injury, accident or illness related to the workplace;
 - 3.3.4 Use correct tools and equipment to safely perform their responsibilities and keep tools and equipment in good condition;
 - 3.3.5 Use safety equipment, clothing, devices and materials for personal protection where a potential or known hazard has been identified and where it is not possible to remove the hazard.

4.0 Authorization

- 4.1 The Superintendent is authorized to develop and issue procedures in support of this policy, which shall be the *HRSB Health & Safety Manual*.

5.0 Report to Governing Board

- 5.1 The Superintendent, or designate, will provide the Governing Board with a report regarding Occupational Health and Safety matters at least twice per year.

6.0 Policy Review

- 6.1 This policy will be reviewed by the Superintendent every year and by the Governing Board every five (5) years or on an as needed basis.
